Does Minor receive Special Education Services? ☐ Yes ☐ NoIf yes, is the Minor in a Special Day Class? ☐ Yes ☐ No ☐ Unknown

Comments

To improve the minor's reading, comprehension, writing and spelling literacy skills, the minor listed above is referred to participate in the Operation READ tutoring program to attend 3-5 hours per week for a minimum of 40 hours to achieve literacy growth.

Each minor is initially assessed using the STAR Advantage literacy tool and after every 20 hours of tutoring services thereafter. This research based objective assessment tool provides information about the minor's reading and comprehension.

Please email all completed referral forms to:**OperationREAD@probation.lacounty.gov**
